TESTIMONIAL:

I believe I would be a good role model, as I am an extremely committed Diver and I've won 8 medals altogether.

I train hard and am part of my clubs squad. I've competed at the National Championships, even though I am one of the youngest girls in my category.

I came 6th in the Hertfordshire 1m Championships where I was up against National Champions.

I also know about what makes a good Diver and a good Dive.
