TESTIMONIAL:

Since being introduced to the thrilling game of Basketball in Year 7, a strong passion raged inside me and I found myself becoming incredibly enthused and excited by the sport, always being keen to train and increase my skills and knowledge.

Through various elimination trials, consisting of hundreds of girls across the East Region, I was selected to represent the Hertfordshire County, in a tournament at Queen's School, Watford, where we achieved Second place. From there, I was then spotted and invited to participate in monthly training sessions with the best basketball players of my age. After also being successful through this selection process, I travelled the long and never-ending journey up to Lilleshall National Sport Centre in Shropshire, to be involved in a tournament consisting of all the regions across the country with my coach, Tony Marmo. It was an unforgettable experience and I enjoyed every second, we were finally awarded the pendant for '3rd PLACE'.

I am now currently making regular journeys to Essex where I train with Steve Pearl at the Area Performance Centre, extending my knowledge and understanding of the game further.
